

## GRADY BOGGS JOINS LOGIC TRENDS IDENTITY AND ACCESS MANAGEMENT PRACTICE

**ATLANTA - (April 6, 2006)** - Logic Trends, Inc. a leading provider of Security, Identity and Access Management solutions, is pleased to announce that Grady Boggs has joined the firm's Identity Management Practice as a Senior Consultant and Engagement Manager. Mr. Boggs brings to Logic Trends over 10 years of architecting, designing and deploying Identity Management solutions. He has deployed solutions using multiple Identity Management and Access Control products including Microsoft, BMC Software, PassLogix, Sun, and CA.

"Grady is an extremely valuable addition to our growing team, bringing considerable IdM knowledge, a true customer perspective and extensive, enterprise project deployment expertise," stated Andrew Ames, Director of Sales & Marketing. Ken Stone, Managing Partner said, "Grady's experience, insight and existing relationships will continue to support and enable our growth, as we shoot for our 3<sup>rd</sup> straight year of INC 500's Fastest Growing Companies."

Prior to joining Logic Trends, Boggs served as applications manager for AGL Resources (ATG). In this capacity, he was primarily responsible for AGLR's Field Operations, Distribution, and Meter Reading applications. Additionally, Boggs oversaw all databases, middleware, and business intelligence. Boggs holds a Bachelor of Science degree in Computer Science from the Georgia Institute of Technology. He will be based out of the Logic Trends headquarters, in Atlanta, where he is actively involved in the community, holding leadership positions with the March of Dimes and the Atlanta Community Food Bank.
