

LOGICTRENDS BOLSTERS IDENTITY AND ACCESS MANAGEMENT PRACTICE...ADDS SEVERAL EXPERTS TO THE GROWING TEAM

ATLANTA, GA - (AUGUST 16, 2006) - Logic Trends, Inc. a leading provider of Security, Identity and Access Management solutions, is pleased to announce the addition on several, senior team members: Rick Wenban, Lester Rivera and Ryan Yuhas. These additions bring Logic Trends over 45 years of architecting, designing and deploying Identity Management solutions. Additionally, they add significant industry specific IAM product and project experience to the Logic Trends team, including Microsoft, BMC Software, Eurekify, PassLogix, Sun, Oracle and CA.

"Rick, Lester & Ryan are extremely valuable additions to our growing team, bringing considerable IdM knowledge, a true customer perspective and extensive, enterprise project deployment expertise," stated Andrew Ames, VP of Sales & Marketing. Ken Stone, Managing Partner said, "Their experience, insight and IAM project expertise will continue to support and enable our growth, as we shoot for our 3rd straight year of INC 500's Fastest Growing Companies." A snapshot of the skills and experience these guys bring:

- During Rick Wenban's 35+ years in information technology and 23+ years in information security, he designed and implemented projects in the following information security domains: communication security, computer architect and system security, information security management, operations security, physical/environmental security, policy, standards and organization, risk management & business continuity planning, security awareness/training, system authorization and access control.
- For the last 13 years, Lester Rivera has focused on project management and technical leadership in identity management, information security, and software development at a number of companies including Compaq, EDS, and NetIQ. He is certified as a PMP and CISSP.
- During his career he has performed project management, business analysis and business process consulting for a number of major corporations, including American Airlines, Sabre, Ericsson, JCPenney, The Vanguard Group, 7-Eleven Corporation, Assurant, MetroPCS, MCI Systemhouse, Southern Union Gas, Levi Strauss and Company, NationsBank, Citicorp, Citizens Telecom and others.
